Each eligible school may earn up to \$20,000 cash per year beginning on March 2 of every year from the Clip program. There are no maximum annual earning limits for schools earning eBoxTops or Bonus Box Tops.

How can Green Charter use the money from Box Tops?

Your school can use the money for anything it needs! Computers, books, and playground equipment are just some of the ways schools have chosen to use the funds raised through Box Tops for Education.

Spirit Nights

Spirit Nights (aka Restaurant Nights) are a wonderful opportunity to grab a quick bite with your family AND support your favorite school! The Spirit Night Committee works to find local restaurants to host our school for a night. We are typically given a block of time when we or anyone we know, can go in to get food and mention our school, and the hosting restaurant gives a percentage of the sales to our school! Want to help show a little extra school spirit?! Please contact us if you are interested in volunteering at these events!

Spirit Night

Thank you to all who supported our first Spirit Night at Chick Fil A!

Ideas

We love your ideas! Recently pitched ideas are things like clothing swaps and a school library cart. Also in the works is an International Festival in May. Stay tuned as we work on the logistics of these projects to see how we can make them a reality! If you have any interest in being on these committees, please email us!

Volunteering

Want to volunteer for a project or just in general? We would LOVE your help! Please email GCOMPVO@scgreencharter.org and put "I want to volunteer" in the subject line!

PVO Meetings

There will be no general meetings in December. Enjoy your holiday break!
