

2017-2018 6th Grade Supply List

HOMEROOM

- 2 large boxes of tissues (all)
- 1 large can of Lysol SPRAY (girls)
- 1 large bottle of hand sanitizer (boys)

IMPORTANT: *It is strongly recommended that students combine class materials. For example, a 2-inch binder can easily accommodate materials for periods 1 and 2. Please note that students should not purchase 3"- 4" binders since locker space is limited and it is impractical for students to carry heavy loads. The idea is to help students be organized and efficient so they can get to class without delay.*
